****PLEASE DO NOT REPLY TO THIS E-MAIL****

Confirmation of Exam Registration

This e-mail contains important information about the exam you scheduled. Please ensure that the details are correct. If any information is not correct, please contact Pearson VUE immediately. Please visit our website, pearsonvue.com/oracle/contact, for a complete listing of telephone numbers and e-mail addresses. If you have any questions about your scheduled exam, please contact Pearson VUE.

Before The Exam

If you have not already done so, we recommend that you authenticate your CertView account at certview.oracle.com. CertView is the Oracle Certification Program's web based portal for all your certification program activity. Your exam results will not be immediately available after completing your exam. Your exam results will be made available on CertView for viewing and/or printing shortly after the completion of your exam. Exam results will NOT be available at Pearson VUE - you must log onto CertView to see your exam pass/fail status and print your score report.

First time CertView users please wait one hour after creating your Pearson VUE web account and then click [here](#) to proceed with your CertView account authentication. All CertView users must have an Oracle Web Account user name and password. First time CertView authentication requires the following information from your Pearson VUE profile: email address and Oracle Testing ID. You will be taken to CertView to log in once your account has been authenticated. Please check your Pearson VUE web account to confirm which email address is on record. It should be the email address where you are receiving this email.

If you click the link above and are not able to authenticate your CertView account, you may not have allowed enough time for the data refresh in Oracle's database. Please allow one hour after you create your Pearson VUE web account, before you attempt to authenticate your CertView account.

After the Exam

Within 30 minutes of completing your Oracle Certification exam, you will receive an email from Oracle, notifying you that your exam results are available at certview.oracle.com. If you have previously authenticated your CertView account, simply login to Oracle's CertView application and select the option to See My New Exam Result Now. If you have not authenticated your CertView account, you will need to do so by following the instructions in this email under **First time CertView user**.

Admission Policy

We ask that you arrive at the test center 15 minutes before your scheduled appointment time. This will give you adequate time to complete the necessary sign-in procedures. If you arrive more than 15 minutes late for an exam and are refused admission, payments are due for the exam and delivery fees.

Prior to entering the testing room, candidates are identified and processed for admission by the Test Administrator.

Identification (ID) Requirements

Carefully review the ID requirements prior to your exam appointment using this [link](#)

Prior to taking the exam, you will be required to accept the terms and conditions of the Oracle Certification Candidate Agreement. You will view the agreement on screen before the exam starts. You can also view this agreement prior to arriving at the testing center by clicking the following link: [Oracle Certification Candidate Agreement](#). If you choose not to accept the agreement at the test center, your exam will be immediately canceled and you will forfeit your exam fee. Please review this agreement before arriving at the test center.

You will not be allowed to take any personal items with you into the testing room. This includes all bags or purses, books, notes, personal computers or devices, cell phones, pagers, watches and wallets.

Reschedule Policy

If you wish to reschedule your exam appointment, you must reschedule at least 24 hours prior to your appointment. Rescheduling an exam less than 24 hours before an exam appointment is subject to a same-day forfeit exam fee. Exam fees are due for no-shows.

Cancellation Policy

If you wish to cancel your exam appointment, you must cancel at least 24 hours prior to your exam appointment. Canceling an exam less than 24 hours before scheduled exam is subject to a same-day forfeit exam fee. Exam fees are due for no-shows.

Additional Information

Pearson VUE will not be held responsible for expenses incurred beyond the cost of the exam, including but not limited to travel expense and lost wages on the day of the exam.

If you do not currently have an account and password for the Pearson VUE website, this can be requested at pearsonvue.com/oracle. After setting up your account, you will be able to review your appointment information, schedule, reschedule (if exam is proctored) or cancel exams.

If you have updated your Email address in your Pearson VUE profile, you will start receiving all Oracle Certification-related communication to this new Email address. Please note that updating your email address in your Pearson VUE profile does not change your Oracle Web Account login ID used to login to CertView. If you are no longer able to receive emails to the email address used to create your Oracle Web Account, you will need to update your email address in your Oracle Web Account too, please submit a [Service Request](#) to Oracle Certification Support.

If you have updated other values such as Address, City, Phone, Postal code etc., the updated values will be automatically visible in your CertView login shortly.

If you do not currently have an account and password for the Pearson VUE website, this can be requested at pearsonvue.com/oracle. After setting up your account, you will be able to review your appointment information, schedule, reschedule (if exam is proctored) or cancel exams.

Pearson VUE's goal is to make your exam experience a pleasant one. If you have any questions about your account or your scheduled exam, please contact Pearson VUE. A complete listing of our worldwide telephone numbers and email addresses can be found on our website: www.pearsonvue.com/oracle/contact/.

Sincerely,

Pearson VUE
